Finances

Playing for punch involves several financial matters, namely the membership fees and fines, as explained below.

Membership Fees

Membership costs are determined in the last GMA of the previous season and will be stated on the D.S.B.V. Punch website. In addition, each competitive member is required to pay a 25€ penalty fee in case they do not have an F-license referee diploma. This fee will be reimbursed if the member joins and completes an F-referee course. For non-students, there is a fee of 40€.

Fines

If a member's actions create financial costs for the association (this includes but is not limited to: missing games, breaking equipment, not showing up for tasks), this member is required to reimburse D.S.B.V. Punch by this monetary value.

Transfer Rights

Each member is required to grant Punch the right to withdraw money from their bank account with regards to the membership fees and the fines.

I hereby grant D.S.B.V. PUNCH the right to withdraw my yearly membership fee and fines from my account until such time as I end my membership with the club.

I choose:

- Single payment (October)
- 2 term payment (October and January)
